At SonSpark Labs VBS, explorers will find their imaginations spark to life as they encounter scientific wonders. Leaders and volunteers will help kids discover that through Jesus they can be members of God's family and personally experience God's formula for life: GP4U = J (God's Plan 4 U = Jesus)! They will discover that God loves them and that through Jesus they can be members of God's family.

We will sing fun songs, watch hilarious skits, make crafts, play games, eat snacks, and hear age-appropriate Bible stories. Each session involves kids in exploring
